Today's Message:

**“Unfinished Business . . .”**

**Welcome to Faith**

We are excited that you are here and hope that you have a meaningful experience in worship. To get the most out of your experience, we'd like you to know the following:

**Got Kids?**

We have many opportunities available for your children. Inside this Bulletin you will find a variety of exciting classes for your child at the 9:30 service. We have a well staffed nursery located at the end of the hallway next to Classroom 1 for children ages three years and younger. You are welcome to bring your young child to our services, but we do ask that you sit near an exit in case your child gets restless. For your convenience, there is also a cry room located at the back of the Worship Center where you can see and hear the service. Thank you for your cooperation.

**What Communion Means**

In Communion, we believe that Jesus is really present and we receive His body and blood for the forgiveness of sins and the strengthening of our faith. It is open to all who have or would like to receive Jesus as their forgiver and leader. If you are not at that place in your spiritual journey, please use this time for prayer and

**Questions for Reflection:**

**Reread Philemon**

When have you been like Onesimus and needed to go back and face someone that you have wronged? What was that like for you?

When have you been like Philemon and needed to grant forgiveness to someone that wronged you? What did you draw on to find the strength to do that?

What role does community play in helping people deal with the problems that break relationships? How well do you think our community of FAITH does in providing that help?

Are you carrying around broken relationships that need to be reconciled? What will you do this week to begin the process of reconciling? What support do you need to be able to take that step?

This week, September 5 - September 11, at Faith.

All are Welcome to Come!
